Hello WSMC Members,

April 2024

March came in like a lion, but I'm not sure April is going out like a lamb. Regardless of our weather ups and downs, trees are blossoming and spring flowers are blooming.

We had another spectacular program on April 10th. Thanks to all of our Plymouth Place guests, we had a terrific audience who shared their enthusiasm of our excellent program. Our sincere thanks to performers: Mo Xu – piano, Karin Ursin and Johanna Beth Sennett – flute, ensemble Jennifer Petkus – clarinet, Paul Seeley – horn and Matthew Lorenz – piano; and Tyler Kivel – piano. See their pictures below.
