Hello WSMC Members,

March 2024

Happy Spring everyone! Our moderate temperatures have enabled some of our flowering trees to blossom and I've seen quite a few daffodils adding a cheery touch. May our good weather continue as we move further into a beautiful spring season.

On March 13<sup>th</sup>, we enjoyed another wonderful program. Our sincere thanks to performers: Gary Greene and the Tempo Primo Woodwind Quintet, Michael Surratt – organ, Jennifer Petkus – clarinet, and Linda Veleckis – violin, Jerry Zitko – violin, and guest Tom Culver – cello.

See their pictures below.

**Wednesday, April 10, 12:56 p.m.**

**Plymouth Place**  
**315 S. La Grange Road**  
**La Grange Park**

Our April 10 program will be fantastic: Mo Xu playing Plymouth Place's brand new Steinway piano, and a variety of ensemble combinations made up of flutists Karin Ursin and Johanna Beth Sennett, Mary Ann Covone - accordion, Paul Seeley - horn, Jennifer Petkus - clarinet, and Mathew Lorenz – piano. Our program will be followed by a delicious tea, catered by Plymouth Place. What a great opportunity to bring guests!

We are also looking forward to our final gathering of the 2023 – 2024 season on May 8<sup>th</sup> at the Hinsdale Golf Club. We will celebrate with a delicious luncheon, enjoyable program and the installation of officers. More information will be available at the April 10 meeting and through the mail.

Joy in Music,

*Barbara Miner*, President WSMC
